### ***Claim Objections***

Claims 3-6 and 24 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Claims 3 and 24 limit the polymer of independent claim 1 to a polyalkene or derivatives thereof; however, this polymer was deleted in claim 1 in the amendment filed 14 June 2004. Applicant is required to cancel the claims, or amend the claims to place the claims in proper dependent form, or rewrite the claims in independent form. Claims 4-6 depend from claim 3. Also note that claim 24 is identical to claim 3.

### ***Allowable Subject Matter***

The following is a statement of reasons for the indication of allowable subject matter: The amendments, remarks and Declaration of inventor Robert W. Cain filed 14 June 2004 have been considered and the examiner is of the position that the gear oil or transmission fluid composition of the claims wherein the polymer component excludes both the polyalkene or derivative thereof, and the hydrogenated interpolymers of an alkenylarene and a conjugated diene, distinguishes over Zakarian et al (5,888,946) in combination with either Ichihashi (4,853,139) or Holubec (4,162,985), the rejection of record.

Applicant's amendment necessitated the new ground(s) of objection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 1764

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
